

NOTES OF THE THEATRES.

"Dancing Around" is the title of the new piece that will succeed "The Passing Show of 1914" at the Winter Garden. Al Jolson, who has not been seen in New York for some time, will head the company. "The Passing Show" ends its run at the Winter Garden on Oct. 3, moving from there to Philadelphia.

The date for the Red Cross benefit performance of "The Little Cafe" at the New Amsterdam has been changed from Friday night, Oct. 2, to the following night.

J. C. Drum's new play, "Mildred's Boudoir," will be seen in the Garrick Theatre next month. The exact date is to be announced later. Adele Blood will have the leading role.

Manuel Quiroga, the young Spanish violinist, who has won fame abroad, will make his American debut soon under the management of the Shubert.

Sir James M. Barrie and Charles Frohman occupied a box at the Winter Garden last night to see the performance of "The Passing Show of 1914."

Crushed to Death by Elevator. Joseph Manning, thirty-five years old, of Central avenue, Long Island City, while moving furniture from an apartment at No. 13 West Seventy-ninth street yesterday afternoon, was caught between the elevator and the walls of the shaft and instantly killed.

PROOF DIRECT. (From the Philadelphia Ledger.) Lawyer—Have you a witness to the assault? Client (pointing to vari-colored optic)—Sure, an eye witness!

Run Into by Man, She Is Dying. Mrs. Fannie Hochman, twenty-eight, of No. 233 South Third street, Williamsburg, is dying in the Eastern District Hospital of a fractured skull received yesterday, when a man, whose identity has not been learned, knocked her down. Mrs. Hochman was standing near a sloop and the man, running by, in his hurry bowled her over.

UGH! NOT CALOMEL, OIL OR SALTS, TAKE "CALIFORNIA SYRUP OF FIGS"

Delicious "fruit laxative" cleanses stomach, liver and bowels.

A harmless cure for sick headache, biliousness, sour stomach, constipation, indigestion, coated tongue, sallow complexion, "California Syrup of Figs." For the cause of all such misery comes from a torpid liver and sluggish bowels. A tablespoonful to-night means all constipation poison, waste matter, fermenting food and sour bile gently moved out of your system by morning without gripping. Please don't think of "California Syrup of Figs" as a physic. Don't think you are drugging yourself or your children, because this delicious fruit laxative cannot cause injury. Even the most delicate child can take it as safely as a robust man. It is the most harmless, effective stomach, liver and bowel cleanser, regulator and tonic ever devised.

Your only difficulty may be in getting the genuine, so ask your druggist for a 50 cent bottle of "California Syrup of Figs," then see that it is made by the California Fig Syrup Company. This city has many counterfeit "fig syrups," so watch out.

Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, die before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save a majority of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations, opium, morphine and soothing syrups sold for children's complaints, containing opium or less potent narcotics. They are, in considerable quantities, deadly poisons. In any quantity, they stupify, retard circulation and lead to constipation, sickness, death. Castoria operates exactly the reverse, but you must see that it bears the signature of Chas. H. Fletcher. Castoria cleanses the blood to circulate properly, opens the pores of the skin and allays fever.

Genuine Castoria always bears the signature of *Chas. H. Fletcher*

"Buy a Bale of Cotton!" and Help the South

Gimbel Brothers

Will Place on Sale Today

10,000 Bales of Cotton at 10c a Pound

and we invite our customers to aid in this splendid cause, by buying a bale of cotton, of about 500 lbs. each, at the approximate cost of

Fifty Dollars a Bale

Europe uses under normal conditions 9,000,000 bales—80 per cent—of our cotton crop yearly.

Today, because of the war, the consumption of cotton abroad has increased enormously—yet the foreign mills are idle.

Meanwhile, the cotton that should have gone to Europe—the lifeblood of the South—is gathering idly in the warehouses.

The South's prosperity depends upon the marketing of her cotton; our prosperity is inseparably linked with hers.

We ask for your co-operation on the score of brotherly interest in the South—not as a speculation for profit—to join in a movement which is rapidly becoming nation wide.

Receipts for individual bales are fully covered by insurance for a year; storage at the rate of 25c to 30c a month per bale will be added when the cotton is sold or withdrawn. The cotton is sold and guaranteed on the basis of "middling" at 10c a lb.

Buy a Bale and Help the South!

Certificates will be sold on the Main Floor, Rear Balcony.

Suits that will stand the rough-and-tumble wear that lively boys are apt to give them. Strongly sewed—reinforced seams—buttons on to stay.

We have 1,000 of the Suits to sell as told above. Choose the suit you like, in any size from 8 to 18 years, at \$5.

Then you may buy ANOTHER suit, out of the same group—in another size or another cloth if you prefer—by paying ONE DOLLAR ADDITIONAL—thus giving you TWO suits for only \$1 more than the price of one.

ONLY TWO DAYS OF THIS OFFER—Friday and Saturday. We expect it will produce the biggest selling of boys' clothing ever known in New York. Extra salespeople. See the suits for yourself and satisfy yourself of their quality before buying them.
